

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 2434 - HB 2580

February 6, 2012

SUMMARY OF BILL: Requires the Commissioner of Finance and Administration to certify the amount of surplus state tax revenue collected as of April 15 each year for the current fiscal year. Requires any certified surplus revenue for the current fiscal year be appropriated to the reserve for revenue fluctuations (rainy day fund) as part of the general appropriations act for the following fiscal year.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – For fiscal years in which a surplus is certified, there will be a one-time allocation, equal to the certified surplus amount, to the rainy day fund the following year. For fiscal years in which no surplus is certified, the fiscal impact is not significant.

Assumption:

- The fiscal impact of this bill is dependent upon the extent of any certified surplus revenue, and the fiscal years for which such certifications would apply. Given these unknown factors, a precise fiscal estimate cannot be quantified with reasonable certainty.
